NO STRANGER

If Christ should come to earth some summer day
And walk along our busy city streets,
And I, grave sinner, chanced to pass that way,
Would I, sin-laden, dare my Lord to meet?

Perhaps feign not to see
And pass me by,
Would be the kindest thing,
That He could do.

But, Lo! He stops, and warmly
takes my hand, And says, "I've
heard My Mother speak of you."

Caps and Gowns

... AND TELEPHONES

What have telephones to do with caps and gowns?

That's a question you didn't find in your final examinations. But Michigan Bell has the answer, and it's one that could be mighty important to you. Michigan Bell's business is telephone service. And graduates from high schools like yours are the kind of young women the telephone company likes to have as employees.

Because the telephone is so important in the modern world, Michigan Bell girls find a real thrill in their jobs. They receive excellent pay, too, right from the start . . . have good opportunities for advancement . . . make congenial friends . . . enjoy vacations with pay and other advantages.

So if you're graduating this month, and looking for that kind of a job, Michigan Bell may have one for you—an important job as cashier, teller, switchboard operator, clerk or typist. Why not drop in now at our employment office, 1365 Cass Avenue, Detroit, for an interview?
